

GEARING UP FOR
PARENT ENGAGEMENT
IN STUDENT LEARNING
TOOLKIT

An exciting new free resource for
families and educators

www.parentengagementtcspe.edu.au

This resource has been developed for families and schools to help make the transition into primary and secondary school a great experience for children, young people and their families.

The Toolkit is comprised of 22 modules:

- Four modules for families transitioning children to Primary School
- Seven modules for primary school principals and staff
- Four modules for families transitioning their young people to secondary school
- Seven modules for secondary school principals and staff

The below website invites you to access each module on-line or through a downloadable pdf:
