7 Business arising from previous meeting	<p>Uniforms Awaiting further samples/pricing from rep. Should be available for next meeting.</p> <p>After School Care Discussion with Mark Effenev. Survey to be sent home to parents in Term 2, then needs approval by CEO. Concern regarding staffing, possibly looking to begin at start of 2023 if approved.</p> <p>Felton Industries Settings are on their way. Michael Harkin can assemble over the holidays and place in from of older years classrooms.</p> <p>Supporter shirts Pre-order form has been sent home to parents. Orders will close at end of term. Good interest shown so far.</p> <p>Playgrounds To be discussed further at future meetings.</p> <p>Disco 20 May 2022, 6-8pm Possibly involve yr6 families for camp fundraising. Possible issue with keeping sales separate in that circumstance. Could utilise QuickClick system for pre-ordering food – names/orders can be printed and marked off when collected. Google doc could be sent home for volunteers – if no volunteers then attendance limited to students only for duration. Food suggestions:</p>		

	<p>Packets of potato chips, sausages/hot dogs, beef and gravy rolls, chicken chips. Poppers, water, slushies for children, small selection of soft drinks at bar for adults.</p> <p>Suggestion made that yr 6 students could sell remaining glow sticks from Fun Night, (CASH ONLY) with profits going towards camp as they have already paid for them, with P&F to donate a share of overall profits towards camp as bonus IF good student participation in selling glow sticks. Staff will run disco with music, games, prizes etc. Will use aluminium benches for seating.</p>
