

Dear families and friends

As we approach the end of the Semester, our dedicated Teachers are diligently compiling and preparing student report cards. We believe that your active involvement in your child's education is crucial. If you have any learning concerns or questions about how your child is progressing, we encourage you to take this opportunity to contact your child's class teacher and discuss these issues.

To ensure our communication with parents is clear, concise, and meaningful, subject comments will be written with a **Commendation** and an **Area for Development**. These comments are designed to highlight your child's strengths and areas that need improvement. They will also address any progress made over the Semester and provide recommendations that are likely to support ongoing learning growth.

A reminder that report cards will be published through **Parent Lounge during Week 10** of this term.

School Photo Day is **next Monday**. If you would like to purchase your child's photos, please ensure photo envelopes are returned to school on this day. All students in Years 1 - 6 must wear their **formal school uniform**.

This Thursday, students 10 years and older (Years 4 - 6) will have the exciting opportunity to participate in some Athletics Carnival events. Their participation will not only be a fun experience but also earn them points for their house. They will compete in the 800m race, High Jump, and some students will have the chance to showcase their skills in the Discus finals.

Parents are welcome to attend. These events will commence at 11:30 a.m. on the school oval. Students will be required to **wear their sports uniform on this day**.

Next Wednesday all of St Paul's will participate in the **Athletics Carnival**. This takes place on our school oval and is always an enjoyable day. Please ensure your child brings their hat, lunch, water bottle and sunscreen to reapply throughout the day. Students are encouraged to wear a house colour (sun-safe) shirt with their sports shorts. Stay tuned for the Program of Events. Year 6 parents will be selling Zooper Doopers and drinks to raise money towards the Year 6 camp.

Thank you to Renita Bauer and Belinda Bauman for preparing the students' carnival and organising this event.

Have a great week and God bless,

Nicole Anderson

A Prayer for the Virtue of Contentment: Holy Father, grant me a heart filled with gratitude and grace, that I may find contentment in Your love. Strengthen me to face life's challenges with unwavering faith, knowing You are my rock and fortress. Let me share Your peace with others, nurturing compassion, and kindness in my daily life. In Jesus' name, Amen. **St Paul:** Pray for us.

Year 3B

Have you ever stopped to think about the connection between the Earth, Sun and Moon? Well this term in Science, Year 3B have been doing exactly that! It's amazing to discover how many things we take for granted and assume *just happen*, for example: day and night, shadows, seasons, eclipses, and even low and high tides. By learning about the Earth, Sun and Moon, we become much more aware of the world we live in. No wonder why our students are such *superSTARS!*

Year 3M

A mystery on the high seas has 3M putting on their detective hats and magnifying glasses in English this term. Our focus book 'The Detectives Guide to Ocean Travel' is challenging students to find clues, investigate words and step into the shoes of Pepper, a young girl from the 1920s, to reflect and make predictions about the story. Mixing historical events with the exciting and engaging twists has us all eagerly awaiting and discussing what might happen next.

Friday Sports Information		
NETBALL	Jardine Park	
Time	Court	Team
1.30pm	Crt 2	Jnr D
12.30	Crt 8	Snr D

Daniel Morcombe Child Safety Curriculum

Week 8 Focus - Report

This week, we are starting to implement the final key message of the Daniel Morcombe Child Safety Curriculum: *report*.

This means that children or young people are taught to *report* what has happened to an adult when they are in an unsafe situation. Even if a child has been able to make themselves safe, it is vital that they still *report* what has happened.

Students involved in the Daniel Morcombe Child Safety Curriculum will be encouraged to make a list of adult safety helpers. These are adults, children, and young people who nominate whom they can talk to when they feel unsafe, have experienced an unsafe situation, or feel they are at risk of something that may cause them harm. This list will include a selection of adults who live in and outside the home.

Mass of Thanksgiving for Leesa Jeffcoat AM Diocesan Director Catholic Education

Bishop Michael McCarthy invites all school communities to attend a Mass of Thanksgiving for Leesa Jeffcoat AM who, after 23 years of faith-filled service, will shortly conclude her time as Diocesan Director of Catholic Education. The Mass will be held in **St Joseph's Cathedral on Wednesday, 12 June commencing at 10:30am.**

All are welcome at the Mass to thank God for the gift that Leesa has been to the Ministry of Catholic Education in this Diocese and to pray that God will bless her in abundance into the future.

For those unable to attend in person, the Mass will also be live streamed via the following link

<https://youtube.com/live/ELIjocspoSg?feature=share>

Upcoming Events/Save the Date

10-12 th Jul	Challenge Cup
9 th Aug	Family Fun Night
30 th Aug	Pupil Free Day
3 rd -6 th Sept	Year 6 Camp
7 th Nov	Swimming Carnival

Yumplatok With Miss Oth

Students and Miss Oth participated in the Junior Healthy Lifestyle Education Program ran by Deadly Choices.

Deadly Choices is a branch of the Indigenous Urban Health Initiative and aims to empower Aboriginal and Torres Strait Islander peoples to make healthy choices, for themselves and their families. Charis facilitated learning around healthy eating.

Throughout the entire program, students have learnt about key preventative health messaging introduced and reinforced to ensure they have capacity to make deadly, healthy choices now and into the future. A wonderful 8 weeks spent learning from our community mentor Charis.

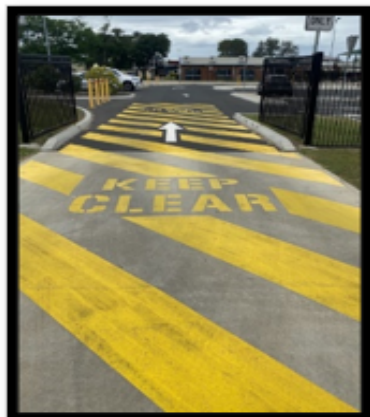

NON STOPPING ZONE ON BREAKSPEAR St Police will book you!

The local police are concerned with the number of cars parked in the NO stopping zone on Breakspear St at pick up time. They have given several people warnings but have informed the school that they will start booking offenders if the practice persists.

TOP CAR PARK

Please do not wait/stop in the yellow-lined area at the entrance of the Victoria Street car park as it blocks people wanting to park from entering and parking.

STAFF CAR PARK

The gravel car park off Breakspear Street is strictly for staff only. Families are not allowed to use to drop off or collect students for safety reasons.
